## Strathmore Red Cross Report of the 1919 Work

### Secretary's Report

#### Year Ending 1919

During the past year the Executive of the Red Cross have held 21 meetings. Meetings and work being discontinued during the months of November and December on account of influenza, although during that time thirty pneumonia jackets and one hundred yards of cheese-cloth were distributed.

On November 11th the armistice was signed, which action entirely changed the work of the Red Cross for the balance of the year.

On January the 2nd an executive meeting was called, Mr. Girvin having requested the assistance of the Red Cross in opening the hospital.

A canvass was made of the town and dishes, bedding, pillows, Pillow cases, sheets, towels, lamps, small stands, chairs, kitchen utensils and groceries were donated. In addition to this considerable material was bought and made up. He also solicited refreshments and took entire charge of the supper given in connection with a Hospital dance.

On request of the Hospital management the Red Cross purchasing committee also purchased quantities of materials, groceries, and kitchen utensils for the Hospital which was paid for by the town.

Our soldiers returning seemed to be in no particular need of Red Cross services and we did not know of any cases where we could render assistance but we were pleased to welcome them home with a Banquet, also to assist them with their first dance by furnishing supper.

A call came from Calgary Red Cross headquarters asking for clothing for families left destitute as a result of the influenza and one box was contributed.

Concerning the sewing done: four boxes containing 1950 pieces were sent to Calgary, as well as samples returned.

This work, together with a Red Cross Dance and a Garden Party, completed our year's work.

We have on hand, the knitting machine, the sewing machine, and a quantity of yarn.

Patience A. McElhoo, Secy.

### The Treasurer's Report

Owing to the Armistice being signed at the beginning of our year, our receipts are not as large as they would have been otherwise, however our total receipts for the year ending September 30th, 1919 are \$1070.61, our expenditures were \$769.23 leaving us a balance in the bank of \$301.38.

On receipts for the year include the following items:

Associate members (14)	14.00
Life members (2)	\$ 50.00
Active members (105)	210.00

121 members.

Receipts from banquet including sale of tickets, donations etc. \$3.50

From dances 184.45

To be spent on hospital 336.42

This includes money from C.P.R.

staff. Money from Chautauqua board and from town council.

From garden party 97.35

Donations 36.60

Continued on page 3

## G. W. V. A. Meeting

### ELECTION OF OFFICERS

At a meeting of Strathmore Great War Veterans Association, held in the King Edward Dining Room on Tuesday evening, there being a good attendance of returned men, officers for 1920 were elected as follows:

President — D. French  
1st. Vice-Pres. Rev. H. Montgomery.  
2nd. Vice-Pres. J. H. M. Martin.

Secy.—Treasurer. H. Forward.  
Executive. Comrades W. Gray, W. Russell, R. Gardiner, John Mackenzie, Alex. Gray.

Trustees for Hall, Comrades Mackenzie, Montgomery, French, Martin, Gardner, and Forward.

Entertainment, hall and finance committees were re-elected as formerly, with slight changes.

A hearty vote of thanks was passed the retiring office-bearers for their services.

Comrade Martin read the report of the Provincial Convention held at Edmonton two weeks ago, at which he represented Strathmore Branch. This report was adopted unanimously and Comrade Martin heartily thanked for his services.

The report of the entertainment committee, on the concert held last week, showed a net balance, after paying expenses, of \$200.00 towards the Memorial Hall Fund. A hearty vote of thanks was passed the entertainment committee and the artists who had assisted.

It was decided to hold the social evening on New Year's Night instead of New Year's Eve, as some of the members would be working on New Year's Eve, the stores being open.

## Namaka Notes

Everybody who is anybody is paying a visit to their ancestral homes this winter.

Mr. and Mrs. H. E. Thomson and family left on Friday for Nebraska, Mr. and Mrs. C. White for Colorado and Mr. and Mrs. O. Wheeler are off to Illinois.

On Friday evening a large gathering of the public met in the L.O.O.F. Hall to welcome the returned veterans. During a lull in the dancing J. P. Lawrie in a few sentences expressed the pleasure of the company at having so many of the veterans home again, and these rousing cheers were given to show their good will.

J. Eggee was prevailed on to take the piano and showed that his hand had not lost its cunning.

At Hammerhill School on Thursday evening, the scholars gave a Christmas entertainment to their friends.

The playing and singing were exceedingly well done and reflected credit on their instructor Mr. Smith. A short dance wound up an enjoyable evening.

The local students attending Clare-sholf Agricultural School arrived home for Xmas vacation on Saturday evening. They report having a great time and are tickled with the work they are getting.

To everyone we wish A Merry Christmas and A Happy New Year.

## Wishing Our Readers A Very Merry Christmas

The Standard management wish to take this opportunity to wish their subscribers and advertisers a Merry Christmas and a Happy and Prosperous New Year.

Last Christmas the Standard was not in a very flourishing condition, due to war exigencies and other causes beyond our control. Since the editor returned from overseas in January of this year, we have received a very large measure of public support, and we have tried our best to justify that support by publishing a newspaper worthy of the town and district.

During the year now before us we shall not relax our efforts to improve the Standard, and justify the continued support of both readers and advertisers.

Again wishing everyone a Merry Christmas and Prosperity in 1920 that will surpass your fondest expectations

## The War Memorial

Christmas is a good time to remember the War Memorial to the men from this district who were killed in the Great War.

The public know the objects of this Memorial, and its details. Up to date about \$6000 has been subscribed or promised. To erect a memorial worthy of the sacrifices of these men, and at the same time a useful asset to the community, will cost, at least \$15,000.

The country has not been canvassed yet, owing to weather conditions and canvassers being unable to get the time to undertake the mission. If those who have not yet subscribed would hand in their subscriptions to Mr. J. H. M. Martin, Secretary of the Finance Committee of the G.W.V.A., without waiting for the canvasser to call, they would lighten the burden of the work which falls on the G.W.V.A. members. Remember that to make the Memorial what it ought to be will take a substantial donation from each member of the community.

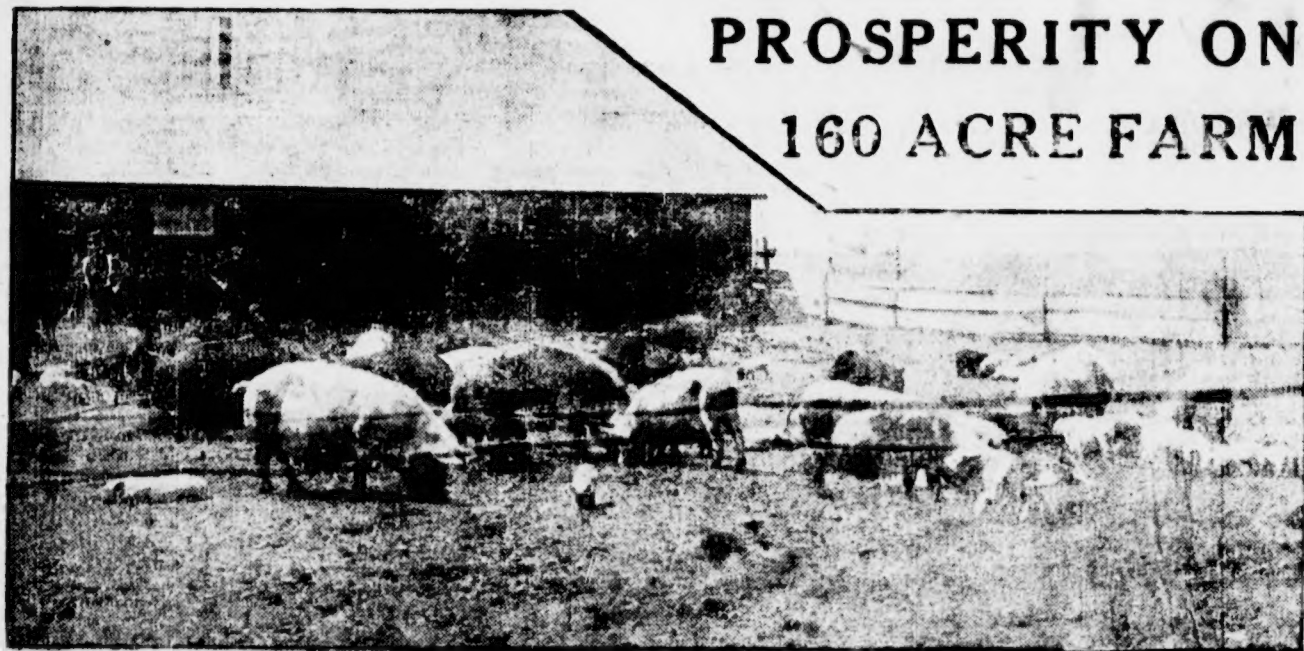

The opening of the year is a good time to make your contribution. If the work is to be commenced with the opening of spring, the Committee must have the money on hand and be in a position to buy the material some time earlier.

We are publishing below a list of the subscriptions to date. This is the last time this list will be published, but all future future contributions will be acknowledged in these columns weekly. The list is as follows:

Sam Jones	15.00

## PROSPERITY ON 160 ACRE FARM

### Raising Hogs On a Western Farm.

Can a man farm and make money on 160 acres of non-irrigated land in Western Canada? D. E. Baldwin, of Kingland, answers "Yes," and he is speaking from experience. Before coming to Saskatchewan in 1906, and taking up his homestead in the Kingsland district, tributary to the city of Saskatoon, he had purchased four states of the Union, his first being from Ohio, where he was born to Iowa, when he was a small child. Later he homesteaded in Nebraska, near David City, and was a pioneer settler in the State of Kansas, where he lived sixteen years, and Oklahoma, where he homesteaded in 1906. After about ten years in Oklahoma, he came to the Canadian West, and began again on a homestead.

He prospered, though he has not made more than 150 acres of land 1914 he has considerably increased the size of his farm. He believes he can get more real living out of life on a smaller farm. His policy is "always to run his business, and not let it run him." He is finding the operation of what in Western Canada is called a small farm both a pleasure and a profit to him. Probably his previous pioneering experience helped him to form this opinion.

How he farms a quarter section and gets more out of it than many a farmer with three or four times as large an acreage, he told a representative of the North-West

Farmer, of Winnipeg, recently.

"I never went into grain farming, but made my money out of cattle, hogs, horses and potatoes. I follow the rotation of barley, wheat and oats without any summer fallow whatever. I fall plow for all my grain crops and plow it again in the spring which, in addition to plenty of manure, has made the summer fallow absolutely unnecessary for me to practice. Instead of sowing rye on a separate piece of land, I intend to henceforth sow it with the oat crop when the oats are two inches high. This, I understand, has been tried in Manitoba and has been successful in certain parts. All the grain is used for stock purposes, and it is from that source that my revenue must be made to come."

The summer feed for my sixteen head of cattle is sixty acres of pasture, and in the fall they run on the stubble and winter rye, which is usually sown about the first of August. During the winter they run out in the day time and are stabled at night feeding on straw hay, sheep oats, and usually a few turnips. In the spring, winter rye offers early pasture, which they use until May 1st, at which time they are taken off and the rye allowed to ripen to be cut for crop.

"My hog proposition is operated on a ten-acre hog lot, surrounded by woven wire twenty-six inches high, above which are three barbed wires. I usually plan on raising two litters a

year, one litter coming in April, and one in September, and find that ten acres of pasture for five Duroc sows and their litters is sufficient to make a great reduction in the cost of raising hogs. In fact, furnishing all the pasture they want to eat. The pasture consists of broom grass, a little alfalfa, oats and wheat mixed and rape. I have tried barley, but find it kills out much easier than oats and wheat. The broom grass is good in the spring and the early fall. The rape is usually sown in April, and along with the grain pasture furnishes good summer feed. The hog proposition is a simple one. They get oats and barley chop with more barley than oats towards fattening time, and they run in this hog pasture, having access to whichever pasture they prefer, there being no fence between the two. They are fed and cleaned up in the fall, and then put up. It consists of eight pens put in the ground to form a rectangle by eight feet with a frame arranged over the top and straw thrashed over the entire frame work. A pig run three feet wide extends a considerable distance from this pen over which straw is also placed. This shelter will winter from thirty to forty hogs. A short distance away I have a hog feeding house, twelve feet by twelve feet, in which the hogs are fed in winter."

He has a good income from potatoes. With this crop he has always been successful in obtaining large yields. He plants six acres of potatoes every season and he has always had a crop of from 300 to 525 bushels to the acre. For all of his surplus he has found a ready market at about one and sixty cents a bushel, and he has received as high as \$2.50 a bushel.

The 160 acres are divided into sixty acres of pasture, ten acres of a pig lot, five acres for house, barn and hedges, and eighty-five acres in crops, consisting of thirty-five acres of oats, twenty-five acres of barley, nine acres of rye, and six of potatoes. Surrounding his buildings is quite an extensive hedge consisting of twenty rows of trees. The varieties are for alders, ash, cottonwood, willow, caragana and evergreens, planted four feet each way. With a little care they will grow to twenty feet in height in a few years.

When the owner would not past with for a great deal of money.

It is not difficult to figure that Mr. Baldwin is deriving a very satisfactory income from his 160 acre farm, since the day that he arrived in Saskatchewan, practically penniless, and he has broken the whole of a land, fenced his farm, built a \$5000 house and a substantial barn and has acquired a fine herd of cattle, a herd of horses, hogs, and poultry, and is considered among his neighbors as a prosperous farmer.

## ROYAL ARCH MASONS

At their regular meeting held last Thursday, Strathmore Lodge B.A.M. elected the following officers for the year 1920:

1st. Past Principal, V. Frank Butler.  
2nd. Principal, B. W. H. Bell.  
3rd. Principal, H. Nicholson.  
4th. Principal, E. Hickman.  
Scribe, E. G. Frank Butler.  
Scribe, N. J. H. Dym.  
Principal, S. E. Delam.  
Treasurer, W. L. Tibbets.  
Liaison, J. H. Freeman.  
Auditors, F. R. Lilly, Dr. Garvin.

What would you think of a storm selling in August that the Road House would be thrashing on the 10th of Dec. with the thermometer standing at 35 below.

## Weather Report

From Dec. 10th to Dec. 22, Sampled by C.P. Freigdon Dep.

## Local Holdings

The new Strathmore Motors Garage in the old Maple Leaf Hotel building, is now open for business, and the building is now in operation. The sky sign on the roof is again turned on, and it helps the lighting of that corner of Third Street.

Dr. J. W. Griffin was in town for a couple of days this week, on his way to Edmonton to spend Christmas with his family.

The local stores seem to be doing a fine business this Christmas.

The weather of the past week has been a big improvement on that of the previous two months, and the snow has been gradually disappearing off the roads. Farmers have been enabled to do a big lot of outdoor work, and threshing is again underway.

The 17th passed off without any incident, and some people are much relieved to feel themselves still alive. The only 17th when you can absolutely depend on something to happen is the 17th of Old Ireland.

A number of local Scots, and also of those who claim to understand Scotch, met to say anything about drinking it, hurried up to Calgary last week to hear Harry Lawder, and say that he is still the same old Harry in spite of his life, and is as good as ever.

It is a pity that there should be such a prevalence of sickness during this festive season. The doctors are being deluged with applications for prescriptions, and the local drug stores have laid in stocks to meet the emergency.

"The glow of conscious rectitude" is worn by some around Christmas and the New Year time, but others wear a glow that is caused by a departure from the paths of rectitude as interpreted by the Moral Reform League.

A large amount of feed is being shipped out from Strathmore, Cheadle and Namska, to meet the demands of the drought-stricken south country. Some men from the drought districts have visited Strathmore lately and have been buying up a lot of feed.

The Municipal Council of Bow Valley met in the Secretary's Office on Saturday, but owing to the volume of business before them they were unable to get it all transacted, and another meeting will be held on Saturday of this week to finish up the business.

Disruption of interprovincial liquor business is scheduled to commence January 1st, as the war time restrictions lapse on that date.

Strathmore Women's Institute shipped two boxes of clothing yesterday for the survivors in the drought-stricken districts of Southern Alberta. Clothing, etc., is still being taken in at the Ladies Restroom of the Strathmore Hardware Coy.

Strathmore Oddfellows will install their officers on Friday, January 2nd. All brethren are urgently requested to attend.

## GOOD WEATHER

The weather of the past week has been in decided contrast to that of the former weeks, and water has been running in the streets every day.

Outdoor work, grain hauling, threshing, etc., is in full swing, and everything is in line for a real Merry Christmas.

## HARWOOD - MCINTYRE

At the residence of the Intelligence on Monday, December 22nd at 4 p.m., Mr. William Harwood and Miss McIntyre Melnyre were united in marriage by the Rev. Theo. Phillips. Our heartiest good wishes are extended to this popular young couple. They will spend the Christmas holidays at the home of the bride.

## U.F.A. ANNUAL MEETING

The annual meeting of the Strathmore U.F.A. was held in the King Edward sample rooms on Saturday. There was a fairly good attendance of members.

Mr. F. T. McElhose took the chair in the absence of the President, Mr. A. J. J. Weyers.

The following officers were elected:

President - Wm. Strahan.  
Vice-Pres. - T. H. Barkerfield.  
Secretary - F. T. McElhose.  
Executive - A. Laurysen, A. J. J. Weyers, Edw. Marshall, W. Rindon, August Miller.

### MY AUTO TIS OF THEE

My Auto 'tis of thee  
Thou art in poverty  
O thee I chant  
I blow a pile of dough  
On you two year ago

Through town and country side  
You were my joy and pride.

A happy day

I loved the gaudy bus

The while time on new

Now down and out for true

In every way.

To thee thou rattle box

Came many bumps and knocks.

As we pass by

For thou I grieve

Badly thy top is worn

Frayed are thy seats and worn

A rough affects it's bump

I do believe

Thy perfume sweels thy breeze

While all the folks they cough and sneeze

As we pass by

I paid for thee a price

'T would buy a mansion twice

Now all are yelling "it's bump"

I wonder why

Thy motor has the grips

Thy spark plug has the po-

And we is thine

I too have suffered chills

Ague and kindred ills.

Since then we're miler

Gone is my bump roll now.

No more 't would shake the rove.

As once before.

Yet if I had the name

So help me John, Amen.

I'd buy a car again.

And speed some more.

## THE OBJECT OF THE UNITED NATIONAL CAMPAIGN.

When the guns fell silent along the scarred battle front, the aspect of the world began immediately to change. Forces that had not particularly concerned themselves during the long course of War, began again to assume their natural proportions.

The War had been waged with vigor, and during that period the Church had given of her equipment leadership to everything that would promote the War. In the Patriotic Society, the Red Cross, the Y.M.C.A., the Church had assisted, and the Church received very little recognition.

After the close of the War the various Protestant denominations began to see how best they could realize the Church. Each denomination considered its own problems, which were spiritual, educational, missionary and financial. Each Church decided upon a Campaign.

It was then discovered that the objects of each denomination were the same, and so, following out the spirit of the age, a United National Campaign was proposed. This unity does not attempt to secure church union, but to show to the world a united front. To show that the fundamental aims of the Church are similar.

To carry out this campaign, conventions have been held in various important centres, and meetings will be held in the future, at every local centre throughout Canada.

The Committee is appealing to every Minister of the co-operating denominations, to associate with his brother Ministers, in quickening the religious life of the community. It is hoped that during the early part of January many meetings will be held. If each Minister would see each other Minister, and get together they would arrange these meetings, and might be accomplished for the Kingdom of our Master.

Death of J. H. Gooderham, Federal Indian Agent at Gleichen.

J. H. Gooderham, agent at the Blackfoot Indian reserve, died at his home Wednesday evening. He was singing at the piano with his son and daughter when he dropped dead of heart failure. He has a record of 41 years of service with the Indian Department, having come to Western Canada in 1878. There was sorrow among the Indians because of his death and loss of them followed the funeral in the cemetery. The Indians brought as a floral tribute a large crown of flowers. The funeral was held in Gleichen on Saturday afternoon.

Mr. Gooderham was popular with the Indians and was well known among the stockmen and pioneers of the west.

## Chancellor Locals

The construction work of the old St. Memorial Hall is now under way having commenced immediately the warm weather came.

Chancellor's future blacksmith is also taking advantage of the warm spell, having commenced the building of his shop.

The Calgary paper states that many coaches are being taken off the passenger trains. We are sincerely hoping they do not take off many passenger coaches from our local, as there will be numerous for many of the old bus car days in Prairie.

Our apologies are due to subscribers for the delay and irregular delivery of the "Enterprise." Through the blame is partly due to the non-arrival of paper mail through the post office. This has affected all mail in respect of the Enterprise. We trust that the future delivery will not be affected in this way.

We take this opportunity of wishing our readers a Merry Christmas and a Prosperous New Year.

The Misses Alice Thompson, Marion and Isabel Malton, are spending their vacation at their homes in Chancellors.

Why pump water for the house and stock, when a windmill or engine will do the work? For a limited period only we offer the following: 1 1/2 H.P. International Engine, 100 lbs. and built for \$100. Eight foot Windmill 30", 4 foot tower \$100. No. 5 Post Grinders with extra set of gears \$22.50. Northern Electric Utility Lighting Plant \$400.00. All goods sold by United Engine Threshers. For further particulars see W. W. Malcolm, agent at Chancellors.

A. Clements gave an exhibition of skating on the creek last Sunday.

## Wishing You A Merry Xmas And A Happy and Prosperous New Year

### Nightingale News

Quite a few weeks have occurred on the C.N.R. during the past week. One train wrecked close to a Melton ranch Thursday evening and 18 cars went over the embankment including 6 cars of coal, 1 car of cattle, 1 car of sheep, of which 3 were killed, the same car as cattle having been in a wreck earlier on the line but escaped injury.

Several car loads of cars are being shipped in here for fuel, quite a few of these having to be dumped out at this end dead.

Mr. George Thurston is leaving for England about December 17th.

Mr. and Mrs. Joan Kinnert are returning over the birth of a daughter. Quite a lot of Nightingale farmers attended Layzell's big horse sale at Calgary. Amongst the chief buyers from here was Kinnert Bros. H. Hillon, C. Juba.

J. Cameron Jr. sent several crates of the poultry show in Calgary and was successful in carrying off 17 prizes, he also brought home several Barred Rocks during the visit. There is a turkey supper which was held in the local hall well attended, everyone doing some justice to the turkey. A pleasant evening was spent with cards and dancing.

Mr. W. O. Smith finished threshing last week and will shortly leave for Chin.

Mr. Robert Nichol will leave for the same place shortly to visit his brother, who has not seen for thirty years. R.C.'s number 1. Better late than never. Quite a lot of people are participating in the C.P.R. show this morning but not yet.

The weather has been cold of late 26 below here has been reached here. Frost—domestic, Calgary. Poultry Show, Stock for sale. All winners, single of pairs, all colours. Prices reasonable. W. E. McEwen, Jr. Box 179, Strathmore. 31-12-29

GOOD OAT STRAW, sold for sale. And, No. 1 White, Nainok. 7-10.

RACING HOMER PIGEONS. Special. First—domestic, Calgary. Poultry Show, Stock for sale. All winners, single of pairs, all colours. Prices reasonable. W. E. McEwen, Jr. Box 179, Strathmore. 31-12-29

FOR SALE, Well improved 1/2 section, close to Strathmore, 140 acres under cultivation, suitable for all crops, intended to fall rye and in years summer corn. Full value on 10 acres summer corn. All can be cropped next year. Price \$1000 per acre including the rye with \$2000 cash or would suit as going concern. No dealers and no trades. Apply P.O. Box 15, Phone 16-10, or the Standard, Strathmore. 28-12-29

### Recklyford News

The 17th of December passed away very pleasantly with a very nice chin-pow with blowing in from 100 per cent. Some of our best farmers and professors had predicted. Those who were lucky enough to be out of bed at five o'clock witnessed a beautiful sunrise enhanced by the white streaks of the clouds.

Those professors of our will soon be seeing the end of the world every other week, quite a few of these people would be glad to take it as a joke.

Mr. and Mrs. Simon Rappell left on Tuesday for Woodbury, Ont. where they will spend the month of the winter visiting with friends. They were accompanied by Mr. L. W. Rappell.

Carl Shultz spent a day in Calgary on business Tuesday.

Santa Claus will soon be with us and we are glad to record the activities of Mr. R. Myers who has been busy in his native land to give the children a good Christmas.

Over \$2500 was subscribed and this sum should secure a real nice Christmas for the needy children. Miss E. Carter also made a very good program to entertain the young people. Mr. and Mrs. M. and other young ladies of the town have prepared a program to entertain the young people.

A good old time Christmas party was given by the young people. The people will spend the month of the winter visiting with friends. They were accompanied by Mr. L. W. Rappell.

Mr. and Mrs. A. H. Cline were visiting in Calgary last week.

Mr. J. A. Wise returned to Rocky Mountain after obtaining a major operation at the General.

Dr. Blackburn returned to Rocky Mountain on Thursday after spending a few days in Calgary.

The telephone gang has at last arrived and are now engaged in setting up poles and installing the telephones in Rocky Mountain. Engineers from Calgary are in the telephone gang. It is in operation by the New Year. All applications for telephones should be made immediately so that the phones can be installed before the new lines Rocky Mountain.

The cold spell which has held Alberta in a grip for so long, broke on the evening of the 16th when a splendid chin-pow started from the west. It has been falling since then fairly fast and another two days of it should clean up the snow.

Mr. and Mrs. C. A. Smith are leaving for the coast where they intend to spend the winter.

Mr. M. C. Brown who has been associated with Mr. A. Cline for a long time, is leaving for the coast where they intend to spend the winter.

Mr. and Mrs. C. A. Smith are leaving for the coast where they intend to spend the winter.

Mr. and Mrs. C. A. Smith are leaving for the coast where they intend to spend the winter.

## BUY AN IRRIGATED FARM FROM THE CANADIAN PACIFIC RAILWAY

**BECAUSE—**  
Irrigation makes the farmer independent of rainfall and insures good crops, not occasionally, but every year.  
Irrigation makes possible the successful culture of alfalfa, the king of feeders, which insures good returns in dairying and mixed farming.  
Irrigation means intensive farming and close settlement with all the advantages of a densely populated agricultural community.  
Irrigation in the Canadian Pacific Railway Irrigation Block is no longer an experiment, the years that it has been tried having absolutely demonstrated its success wherever intelligent farmers have adopted it.  
You can buy irrigated land from the Canadian Pacific Railway at prices up to \$80 per acre, with twenty years to pay and the privilege of a loan of \$7,500. No improvements (if interest) no principal after first payment until end of fourth year, reduced interest if settlement conditions are complied with and no water rental for first year. Contract can be paid in full or by instalment if desired.

This is the most liberal offer of irrigated land in record. For full particulars, apply to:

ALLAN CAMERON, General Superintendent of Lands  
Canadian Pacific Railway, Dept. of Natural Resources, 929 First Street, W., Calgary, Alberta

G. H. Hutton Makes Starting Statement

Mr. G. H. Hutton, superintendent of the Calgary and District Milk Producers' Association referring to the great importance of guarding against tuberculosis in milk cows. He stated that a test that was made in a herd with 25 milks of Calgary, 14 out of 16 animals were found to be infected with tuberculosis. He strongly advised the development of accredited herds. Animals he said, could be tested free of charge by the government.

Miss Wilson stated the very thing that was being pointed about on the Fortness home three line days.

Word of number of young folks went over to Strathmore Wednesday evening to the entertainment there.

The Ladies Aid held their Bazaar last Friday afternoon and evening in the church in glorious weather. They had a great assortment of home made goods, cakes, candies and also several refreshments.

Series and gets away on Friday morning when he was given down the ferry hill. Mr. and Mrs. C. A. Smith are leaving for the coast where they intend to spend the winter.

Christmas is here once again and you may try and forget all the ups and downs of the year — get the Christmas spirit and you will enjoy it.

Church services held every week on Sunday at 11 a.m. and 7 p.m. Blind Creek 7:30 p.m. T. P. LIND, Pastor.

We have a large variety in samples of Christmas Greeting Cards in several pretty designs at reasonable prices. We can fill your order in a few days. Write to us for more and place your order, so that you will have the cards in plenty of time to mail to your friends by Christmas.
